How do I schedule an appointment?

In-person and virtual appointments can be scheduled by calling **(470) 793-6120**. Walk-ins welcome!

What is the Get Well @ Work Clinic?

Get Well @ Work is a Wellstar Medical Group (WMG) clinic centered around taking care of Wellstar employees during standard work hours.

Located on the Kennestone campus, 677 Campbell Hill Street NW at Boulevard 7, the clinic will provide same-day minor acute visits for Wellstar team members.

At this time, dependents are unable to be seen at the clinic. Wellstar team members only.

What services are offered at the clinic?

The type of visits that can be seen within the clinic are hypertension, acute URI, nasopharyngitis, UTI, headache, strained muscles, nausea, dizziness, viral infections, gastroenteritis, and other minor illnesses. COVID testing offered with same day results.

No prescription medication refills.

When will the clinic open?

Hours of operation:

Monday - Friday

8:00 AM - 4:30 PM

What is the copay per visit?

There is a \$20 co-pay for each visit including point of care testing. Any additional lab work or radiology services will be an additional charge. There is an opportunity to waive the co-pay by signing up for a preventative or case management service. Please call the office at **(470) 793-6120** for further details regarding this option.
