

## Learning Completions Dashboard

The Learning Completions dashboard is used to validate new hire required learning completions.

It can be accessed via the following link:

#### Week 1 Learning Completions Dashboard

#### (Please bookmark the link for quick access)

The dashboard is refreshed weekly and consists of 3 pages: 'Overview', 'Details' and 'Rehires'. The 'Overview' page shows a big picture or birds-eye view of all completed training for a year. The 'Details' page provides a more detailed approach to viewing the learning completion data that is specific to your employees. The 'Rehires' page provides information specifically for any rehired employees and their learning assignments. The employees listed on the 'Rehires' page are also included in the data provided on the 'Details' page.
